

CONFIDENTIALMarch 28th, 1960COCOM Document No. 3935 BCOORDINATING COMMITTEEMEMORANDUM BY THE FRENCH DELEGATIONLICENCE FOR THE EXPORT OF STRATEGIC ITEMS TO POLAND

The French Delegation have the honour to inform the Committee that a French firm has submitted an application for an export licence concerning the despatch to Poland of 36 silicon diodes covered by Item 1545 on the embargo List.

The value of this consignment is 4,917.60 new francs, i.e. approximately \$ 1,000, and it is made up as follows:

4	diodes	D. 35 A
8	"	P.3010
8	"	R.3020
8	"	S.4006
8	"	T.4010

These are spare parts intended for servicing a television transmitter and direct current electric motors.

Because of the low value of this consignment and of the peaceful end-use of these diodes, the French Delegation have the honour to request the views of the Coordinating Committee within the framework of the procedure established for minimum shipments.
